Quantitative Analyst

**1996** William M. Mercer  
Investment Consulting

**Education:** Member of UKSIP  
Institute of Investment Management and Research (IIMR)  
Investment Management Certificate (IMC)

Brunel University  
BSc Economics and Business Finance

Christopher Paine joined Henderson Global Investors in 2000 as a Quantitative Analyst on the Economics and Strategy Team. After developing a range of tactical asset allocation models and helping to manage the firm's various balanced portfolios, Christopher became an Associate Director, Asset Allocation and a member of the Global Policy Committee setting Henderson-wide asset allocation. Christopher joined from NPI Asset Management where he was also a Quantitative Analyst, reporting on asset allocation risk, assisting in asset allocation, and providing economic and strategic analysis for the Chief Strategist. Prior to that, he worked for William M. Mercer.

Christopher graduated from Brunel University with a BSc in Economics and Business Finance; he is a member of UKSIP and holds the IIMR certificate and the IMC.

## **Bill McQuaker**

### **Head of Equities and Director of Multi-Manager Funds**

#### **Career:**

**2008** Head of Equities  
Team Appointed to Henderson Management

**2005** **Henderson Global Investors**  
Director of Multi-Manager Funds

**1996** Credit Suisse First Boston  
European Equity Strategist

**1993** NatWest Securities  
Quantitative Analyst

**1986** County NatWest Investment Management  
Research Analyst/Fund Manager

**Education:** University of Edinburgh  
BCom (Hons) Business Studies

In August 2008 it was announced that Bill would assume the role of Head of Equities for Henderson Global Investors with responsibility for overseeing the management of all of Henderson's equity assets. Bill and his team are responsible for equity assets covering all regions, as well as specialist SRI, multi-manager, technology and hedge funds. He remains a director of the multi-manager funds which he has been responsible for since 2005.

With over 20 years' investment experience, he has strong relationships with many of the leading fund managers in the market and has been ranked at the top of his field by his peers in investor surveys such as Institutional Investor and Thomson Extel. Bill holds a BCom (Hons) in Business Studies from the University of Edinburgh.
